Agenda paper 13.3.1 *AASB Sub-committee membership as at 4 April 2011*

Background

Following a request by Board members at the February 2011 meeting, a listing of sub-committee memberships was tabled at the March 2011 AASB meeting (Agenda paper 11.8, tabled).

This listing has now been updated to omit the superseded sub-committees and to reflect changes in membership, principally Anna Crawford replacing Bruce Porter on *Presentation of Financial Statements* and the addition of Kevin Stevenson to certain sub-committees where he was already involved.
