Subject: ED 148 Maintaining the Reporting Entity Concept

Dear Sirs

The ICAA has brought to my attention the possible abolition of the Reporting Entity Concept. All my clients are non reporting entities and will incur considerable additional expense if they have to prepare General Purpose Reports instead of Special Purpose Reports for no good reason in their eyes.

Please register my objection to the abolition of the Reporting Entity Concept and save it for the entities for which it was intended and for which it has worked so well.

Thank you
