## Introduction and objective of this meeting

- 1 The objective of this paper is for the Chair to provide the Board an overview of how the Financial Reporting Framework Project interacts with the Revised *Conceptual Framework* Project, and the interaction between the AASB Strategies.
- 2 This cover memo and the two agenda paper attached were provided to the Board at the August 2018 Board meeting, however were deferred to this meeting due to time constraints. The materials have not changed since that meeting.
