Hi,
Please find attached a copy of my very brief comment on ED 180.
Thanks

Comment on ED 180

I have been through the ED and my very brief comment is that I think it will be welcomed by the not-for-profit sector. Many of our current clients are not-for-profit and they could not understand the thinking behind the previous Standard.

I also really like that there are a number of examples in the Standard to help with the application.
